My Folders
Create folders to organize your documents and notes.

Unclassified Documents & Annotations

All Documents & Annotations

Add Folder

Add folders to personalize your projects

Folder: All Documents & Annotations
To organize your work, drag the document cover or annotation icon to a folder on the left. To open a book or note in QuickView, click on the title link.

You can export any of your bookshelf folders to EndNote & Citavi or RefWorks or Email to a Friend.

Interior Design Visual Presentation : A Guide to Graphics, Models, and Presentation Techniques (2) Java-based Reader
