

You are **WELCOME HERE**

The College of DuPage Library is committed to providing equal access to library collections, services and facilities for all users. It is a priority for us to acquire, whenever possible, resources and technologies that are accessible to all and compliant with the Americans with Disabilities Act. For library collections that are not accessible, we are committed to providing reasonable accommodations and timely access to users with disabilities.

If you need assistance in the Library, please notify a staff member at any public service desk. View our assistive web page: www.codlrc.org/services/assistive.

Equipment and services offered include:

- Accessible study room (SRC 3102)
- Priority workstations
- Variety of magnifiers and readers
- Trackball mice and contrast keyboards
- Computing support and printing assistance
- Audiobooks and articles
- Closed-captioned videos and streaming media
- Accessible Ebooks
- Research help
- Assistance retrieving items
